

How Our SEO Strategy Transformed Nexus Mall's **Online Presence**, Increased **Brand Awareness** and Boosted Footfall by **60%**!

Objectives:

- Increase organic traffic and footfall through online promotions.
- Improve search engine rankings for targeted keywords.

Challenges:

- High competition from other local malls and online retailers.
- Low initial website traffic and limited keyword rankings.
- Poor on-page SEO and lack of quality content.
- Slow website load times and non-mobile friendly design.

Results:-

Footfall through Online Promotions 60% /month
